THE FACE OF **BOTOX & DERMAL FILLERS** **MIMI LEE, M.D., P.A.**

Dr. Mimi Lee at Mimi Lee, M.D., P.A., is a board-certified surgeon who stands apart from other Arkansas physicians with her extensive experience in microinjections for Botox and Dermal Fillers in addition to her vein practice. Her approach and extensive experience provide her patients with the reassurance that they will get the desired outcome with little, if any, discomfort and downtime.

Dr. Mimi Lee personally performs all treatments which allows her to deliver accurate results and ensure patient comfort. "I believe every patient is a different canvas that requires individualized treatments based on their concerns and desire," says Dr. Lee.

Her goal is to rejuvenate patients and help them look their best "without looking like they had work done," she says.

Dr. Lee and her team are committed to providing you with the latest technology and treatment protocols and helping you become a better, healthier and more attractive you.

Mimi Lee, M.D., P.A. is located at 8315 Cantrell Road, Suite 130 in Little Rock, Arkansas.
